

# SDC I NETWORKZ PRIVATE LIMITED

Electric Vehicles Leasing Company

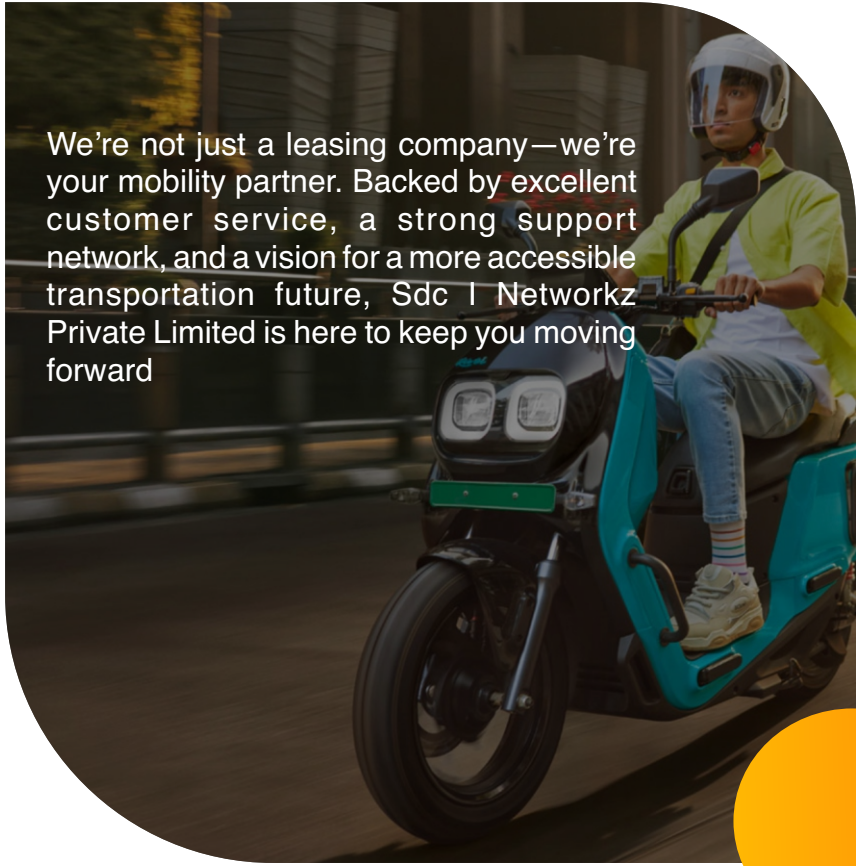

## About Us:

Sdc I Networkz Private Limited is an innovative electric vehicle leasing company helping individuals and businesses to save costs, reduce emissions, and increase efficiency. From food delivery professionals to logistics companies, our EV rental plans (daily/monthly/yearly) offer flexible, scalable solutions to meet operational demands. Backed by quality service and reliable vehicles, Sdc I Networkz Private Limited is your partner in modern mobility.

## What We Offer:

A person wearing a white helmet and a high-visibility yellow jacket is riding a teal-colored electric scooter on a city street at night. The background is blurred, showing city lights and buildings.

We're not just a leasing company—we're your mobility partner. Backed by excellent customer service, a strong support network, and a vision for a more accessible transportation future, Sdc I Networkz Private Limited is here to keep you moving forward

Flexible Leasing Plans tailored to your budget and duration

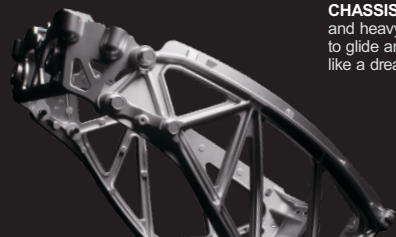

Fleet Management Services for delivery partners and businesses

Affordable Maintenance & Insurance options included

Quick Approval Process with minimal documentation

Let's ride together towards a more mobile tomorrow.

**ALUMINIUM CHASSIS** Lightweight and heavy-duty. Built to glide and handle like a dream.

**MONOSHOCK SUSPENSION** Bumps. Pot holes. Bad roads. Hold steady, and breeze through them all.

**MOTOR** 4.3 kW of power and 22 Nm of instant torque. So you can take off in a blink.
